

Ryder Cup Rules

Last updated 11/4/22

- Players that regularly play from forward tees (Gold, Green or blended) may do so on all holes. I will mark score cards accordingly, but if I miss someone please go ahead a play where you would normally play
- Holes 1-6 will be a scramble format. In this format each player hits their tee shot, selects the best shot and both players play their next shot from there. Repeat until the ball is holed.
- Holes 7-12 will be a better ball format. Each player will play their own ball all the way to the hole and the better score of partners will be the team score for each hole.
- Holes 13-18 will be an alternate shot format. Each team will choose one player to tee off all even holes (14, 16 & 18) and the other player will tee off all odd holes (13, 15 & 17). After the tee shot the other player hits the second shot and continue to alternate until the ball is holed.
- On #17 both players will hit tee shots to participate in the closest to the pin contest, however you must play the ball of the team member teeing off the odd holes.
- Putt everything out. NO GIMMIES!!
- You may lift, clean and place the ball within 1 club length, no closer to the hole everywhere **except in hazards and on the green**. You also cannot improve the lie (i.e.: can't go from rough to fairway, etc.)
- When recording scores please list only 1 score per team per hole.
- For lost balls and/or balls hit OB use the league rule, which is mark where the ball was lost or as close as you can. From there you can go backwards in a straight line to where you hit the previous shot and drop anywhere on that line. You will take 1 penalty stroke for the drop.
Example: hit drive OB, drop at OB point and you will be hitting 3rd shot.
- All tie breakers will be match of cards beginning with the first hole.

Payouts:	Payouts if there are no skins:
1 st overall → \$80	1 st overall → \$100
2 nd overall → \$50	2 nd overall → \$70
Format winners → \$50 each	3 rd overall → \$40
Closest to the pin on #5 & #17 → \$30 each	Format winners → \$50
Skins → \$140 divided by the # of skins	Format runners-up → \$20
	Closest to the pin on #5 & #17 → \$30 each
