

SUBURBAN GOLF LEAGUE RULES

Sportsman GC - 2011

RULES OF PLAY

1. Winter rules. This means you can move your ball 6 inches from where it lies, but no closer to the hole. Also, you **cannot** move any ball in a hazard (sand, water, etc) or on the green.
2. All O.B. and Hazards are stroke and NO distance. This means take one penalty stroke then drop a ball no closer to the hole than where the ball was lost (hint: if drive was hit in water, drive is stroke 1, penalty is stroke 2, and you are hitting 3).
3. The ditch/creek on holes #1, #8, #12, #15 and #16 is considered a hazard. You CANNOT move the ball. If you cannot hit the ball where it lies you can take a penalty stroke and drop the ball on the line of entry, not closer to the hole. (hint: if drive goes in ditch drive is stroke 1, drop is penalty stroke 2, and you will be hitting your 3rd shot).
4. Net better ball of partners.
5. Strokes are given by using the handicap holes on the scorecard.
6. **Strokes WILL be applied on Par 3 holes.**
7. Scoring - information below.
8. All matches will be played on the scheduled Tuesday, at 4:00pm. **No rescheduling.** If neither player can make it for a scheduled match bring it up in advance and we will figure something out. NOTE: As the summer leagues end our league will be able to tee off earlier.
9. Substitutes may be used in place of an absent partner. Anyone may substitute, but they will play with a zero (0) handicap. Also, in place of a real sub you may choose to use a par +5 score as your partners score. For the ghost sub the hole scores will be as listed below:

Hole #	1	2	3	4	5	6	7	8	9	Total
Ghost Sub Score	5	4	5	4	5	5	6	4	3	41

Hole #	10	11	12	13	14	15	16	17	18	Total
Ghost Sub Score	4	5	4	5	5	5	5	4	4	41

10. If course is open, we play.
11. Opposing teams must play together. If a member of either team is not present to participate in the match, his score does **NOT** count in the match. See rule #9 for substitutions.

HANDICAPPING SYSTEM

1. Handicaps will be adjusted each week. The original handicap will be assigned. This original handicap will be weighted times 3 and then each week the handicap will be adjusted accordingly.
2. An individuals handicap will be applied to their round using the handicap on the score card. If you are to receive 5 strokes, you will get them on the 5 hardest holes.
3. Max gross score allowed is par + 3.
4. Each player's gross score will be entered on the scorecard. Each team will then determine which partner has the better **NET** score for a hole. This best **NET** score will be matched against the other team's best **NET** score to determine the winner of the hole.

SCORING SYSTEM

1. There are 11 points available in each match.
2. Each hole won will be worth 1 point. Tied holes will be worth ½ point to each team.
3. The team that wins the match (most holes won) gets 1 extra point. If the match is a tie then each team gets ½ point.
4. Each team's net better ball score will be added and the team with the lower score will get 1 extra point. If the net better ball score is tied then each team gets ½ point.

Example - If Team A wins 4 holes (4 points - 1 pt per hole won) and ties 4 holes (2 points – ½ pt per hole tied) then Team B has won 1 hole (1 point - 1 pt per hole won) and tied 4 holes (2 points – ½ pt per hole tied). Team A wins the match and get 1 extra point. If Team A shoots a net better ball score of 32 and Team B shoots a net better ball score of 34 then Team A will get 1 extra point. Match totals:

	Team A	Team B
Points from holes won	4	1
Points from holes tied	2	2
Points from match results	1	0
Points from net score	1	0
Totals	8	3

5. **NOTE:** It is possible that a match can be won before the 9th hole of the round (Team A wins the 1st five holes). The round must be completed because each remaining hole is still worth 1 point. Also, the net better ball score is still worth 1 point.
6. A forfeited match results in a 9-0 win for the opposing team.
7. Standings are determined by total points accumulated over the course of the season.
8. The championship match will be between the 2 teams with the most points at the end of the regular season. If there is a tie for 2nd place the tie breakers are as follows:
 - 1) Head-to-head record in matches between tied teams.
 - 2) Total points in matches between tied teams.
 - 3) Low net average for season.
9. If the championship match ends in a tie the tie breakers are as follows:
 - 1) Regular season standings (1st gets win).
 - 2) Regular season head-to-head match.
 - 3) Match cards by hardest handicap holes first.
10. To break a tie for the end of season tourney for non-championship teams we will match cards by hardest handicap holes first.
